The Common Good

The common good is reached when we work together to improve the wellbeing of people in our society and the wider world. In line with Catholic Social Teaching, the rights of the individual to personal possessions and community resources must be balanced with the needs of the disadvantaged and dispossessed.

Three Elements

1. respect for the individual,
2. the social well-being and development of the group, and
3. peace

Description of Sacred Encounter

Community Connection:

'This is what I am asking you,'
Pope Francis said with emphasis,
looking up from his prepared text,
'be shepherds with the smell of the sheep,'
so that people can sense you are concerned
not just with your own congregation,
but also, a fisher of all people.

I will be like the dew to Israel; He will blossom like the lily, And he will take root like the cedars of Lebanon. His shoots will sprout, and his beauty will be like the olive tree and his fragrance like the cedars of Lebanon. Hosea 14: 5-6

God of all creation,
May the fragrance of the forest,
The balm of a breathing meadow,
The scent of the sea,
And the perfume of the peaks
Refresh our hearts,
And remind us that each one of us
Is worthy of dignity and respect.
May the scent of our sacred earth
Be recognized as a prayer.
May it be as incense to you
In the hallowed grove of eternity.
As we smell and remember
The places that are sacred to us,
Awaken all our senses
So, we fully engage with this journey
Towards whole person integration.

CERTAINTY *versus* **CLARITY**

Certainty
Versus
Clarity

4

What's the difference between certainty and clarity?

When facing a big decision, it's essential to understand the difference between *certainty* and *clarity*. Certainty is about guaranteeing an outcome. Clarity is about the right next step. Seeking certainty leads to paralysis when it's impossible to make guarantees about the future. Seeking clarity is the recognition that our "big decision" is actually a series of choices combining the best of what we know and what we sense.

Common Good

- Define and locate the concept of Common Good within Catholic Social Teaching and its analogue within contemporary economic and political culture.
- Define the social determinants of health and articulate the scope and scale of their impact on health outcomes in vulnerable communities.
- Apply course concepts to personal leadership development with specific connection to Mission-centered leadership and service to vulnerable populations.

WISDOM

I don't know exactly what a prayer is.
I do know how to pay attention,
how to fall down
into the grass,
how to kneel down in the grass,
how to be idle and blessed,
how to stroll through the fields,
which is what I have been doing all day.
Tell me, what else should I have done?
Doesn't everything die at last, and too
soon?

Tell me, what is it you plan to do
with your one wild and precious life?
